School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Our Mission: Inspiring students to learn and grow to their potential.

Our Vision: Every student a responsible, productive citizen in a diverse and competitive world.

Hickman Charter School seeks to support this mission and vision by providing students with learning resources and enrichment opportunities which support our mission and our desire that they become life-long learners -- persons who know how to learn, and know how to identify opportunities and their solutions. providing a supportive, encouraging environment in which parents can receive high quality training opportunities, teaching resources, counseling and a structure to support their educational objectives. Serving as a liaison between the community and the homeschooling family; demonstrating to the community the educational soundness and viability of publicly funded parent directed education of students.

Our Values and Beliefs:

Success of All Students: All students can learn and they learn in different ways. They deserve the opportunity to have instruction delivered in a way that is meaningful, relevant, and accessible to them. The process of learning is as important as the product and requires a growth mindset.

High Expectations: Expectations for students, parents, and staff are clearly defined, understood, and shared. Students, parents, and staff are empowered, supported, and trained to meet those expectations.

Respect and Integrity: Every person is valuable and deserves respect. Communication and interaction is defined by mutual respect, trust, and support.

Teamwork: The organization works collaboratively and creatively to ensure student success in a supportive environment. Successes are recognized and celebrated. Parental involvement is an essential element of a quality educational experience.

Safety: Schools and work sites are safe and secure for students, parents, and staff.

Effectiveness and Efficiency: Financial and human resources are managed effectively, and prioritized to meet the goals and expectations of the organization.

Continuous Improvement: Staff, parents, and students collaboratively evaluate progress using multiple, reliable measures, and make changes when needed.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

We are very proud of our school campus and grounds. Hickman Community Charter District maintains a safe, beautiful and clean learning environment for our students. All areas are patrolled daily by our conscientious custodial team as well as by our students and staff. Onsite maintenance staff responds to any daily issues and we have a weekly contract with a grounds-maintenance company. We are in compliance with all maintenance policies and ordinances. The Hickman Community Charter District campus restrooms are clean and modern for both staff and students.

The district completed a significant building project in 2018. The project addressed the replacement of the temporary facilities, increasing parking, and student safety during pick up and drop off.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: August 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	HCCD contracts with companies to inspect and service HVAC, mechanical, and sewer yearly.
Interior: Interior Surfaces	Good	All in good repair.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	All facilities are kept very clean. A pest management company is contracted to inspect and spray monthly.
Electrical: Electrical	Good	All in good repair.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	All are kept clean and in working order. Additional bathrooms were added for staff and students as part of the 2018 district building project.
Safety: Fire Safety, Hazardous Materials	Good	In addition to our routine safety inspections, our insurance carrier conducts a bi-yearly health and safety inspection. We immediately correct any issues that are reported.
Structural: Structural Damage, Roofs	Good	Roofs are inspected yearly and all are currently in good repair.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	All in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	58	60	60	61	50	50
Mathematics (grades 3-8 and 11)	43	46	49	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Due to the nature of our home-school program, parents are involved in every aspect of their child's education. A credentialed Education Coordinator, working in partnership with the teaching parent, customizes the home-based instruction through regular consultation, goal setting, coaching, oversight and access to resources to provide excellent instruction. HCS provides several opportunities for parents to learn how to be effective in this role including: parent classes, observation classes conducted by credentialed teachers, ongoing consultation with Education Coordinators. Our current challenge revolves around training parents how to make the shifts necessary to effectively teach to the Common Core Standards. We welcome the opportunity to rise to this challenge.

All parents are encouraged to provide ongoing formal and informal input as to the direction and effectiveness of our program through interaction with Educational Coordinators and yearly evaluation surveys. In addition, HCS parents can provide input through our LCAP survey and directly through the Parent Advisory Committee.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

The Hickman Community Charter District has a School Safety Plan which covers many components of school safety to include both the physical and social environments. The School Safety Plan was developed using the most current law enforcement advice. Local emergency services has reviewed and has a copy of the current plan.

Copies of the School Safety Plan are located in the district and school offices and are available to the public upon request. The plan is a continual work-in-progress and is reviewed by staff and stakeholders whenever updates or changes are made. The Stanislaus County Emergency Services Agency reviewed our plan in 2018 and made suggestions to improve safety procedures and protocol. The current plan was last revised in February 2019. Faculty and staff are informed of the changes in the School Safety Plan on the first staff workday of each school year and when changes are made to the plan mid-year. Planned drills, including Evacuation Drills, Earthquake Drills, Modified Lockdown Drills, and Critical Incident Drills, are practiced each month of the school year. In August of 2019 all staff in the district were trained to respond to an active shooter or other critical incident.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

The primary focus of professional development has been focused on the adoption of the California Common Core State Standards and the Next Generation Science Standards and the shifts associated with their adoption. This focus was informed by assessment results and staff input.

Professional development has been delivered through a combination of methods including a summer fellowships, monthly inservice workshops, and conference attendance. Teachers are supported during implementation through grade level and subject matter collaboration teams. Implementation is supported with teacher/director meetings and student performance data reporting. Two full days of the professional development are provided yearly. In addition, individualized professional development was accomplished through Summer Fellowships during the summers beginning in 2016.

Teachers were supported in the implementation of PD through professional learning communities and teacher-director meetings. In addition, each teacher creates 2-3 SMART goals that focus on areas of continuous improvement. Directors monitor these and provide feedback.
